

§ 930.73 OCS plan.

(a) The term *OCS plan* means any plan for the exploration or development of, or production from, any area which has been leased under the Outer Continental Shelf Lands Act (43 U.S.C. 1331 *et seq.*), and the regulations under that Act, which is submitted to the Secretary of the Interior or designee following management program approval and which describes in detail Federal license or permit activities.

(b) The requirements of this subpart do not apply to Federal license and permit applications filed after management program approval for activities described in detail in OCS plans approved by the Secretary of the Interior or designee prior to management program approval.

§ 930.74 OCS activities subject to State agency review.

Except for States which do not anticipate coastal zone effects resulting from OCS activities, management program lists required pursuant to § 930.53 shall include a reference to OCS plans which describe in detail Federal license and permit activities affecting the coastal zone.

§ 930.75 State agency assistance to persons; information requirements.

(a) As a preliminary matter, any person intending to submit to the Secretary of the Interior and OCS plan which describes in detail Federal license or permit activities affecting the coastal zone should obtain the views and assistance of the State agency regarding the means for ensuring that such activities will be conducted in a manner consistent with the State's management program. As part of its assistance efforts, the State agency shall make available for inspection copies of the management program document.

(b) In accordance with the provisions in § 930.56(b), the management program as originally approved or amended may describe requirements regarding data and information which will be necessary for the State agency to assess the consistency of the Federal license and permit activities described in detail in OCS plans.

§ 930.76 Submission of an OCS plan and consistency certification.

Any person submitting to the Secretary of the Interior or designee any OCS plan shall:

(a) Identify all activities described in detail in the plan which are subject to State agency review;

(b) When satisfied that the proposed activities meet the Federal consistency requirements of this subpart, provide the Secretary of the Interior or designee with a consistency certification, attached to the OCS plan, and the Secretary of the Interior or designee shall furnish the State agency a copy of the OCS plan (excluding proprietary information) and consistency certification.

(c) The person's consistency certification shall be in the following form:

The proposed activities described in detail in this plan comply with (name of State(s)) approved coastal management program(s) and will be conducted in a manner consistent with such program(s).

§ 930.77 Necessary data and information.

(a) The State agency shall use the information received pursuant to the Department of the Interior's operating regulations governing exploration, development and production operations on the OCS (see 30 CFR 250.34) and regulations pertaining to the OCS information program (see 30 CFR part 252) to determine the consistency of proposed Federal license and permit activities described in detail in OCS plans.

(b) The person shall supplement the information provided by paragraph (a) of this section by supplying the State agency with:

(1) Information required by the State agency pursuant to § 930.75(b).

(2) A brief assessment relating the probable coastal zone effects of the activities and their associated facilities to the relevant elements of the management program, and

(3) A brief set of findings, derived from the assessment, indicating that each of the proposed activities (e.g., drilling, platform placement) and their associated facilities (e.g., onshore support structures, offshore pipelines), and their effects (e.g., air, water, waste discharge, erosion, wetlands, beach access
